

Quick 2 Green

Quick 2 Green Lawn Seed Mixture is a low maintenance & economical mix. It contains a variety of perennial ryegrass which provides quick establishment. This mix is adaptable to both sunny and shady locations. Quick 2 Green will be a long lasting lawn mix. Its dark green color provides a professional appearance in any landscape. Quick 2 Green will also tolerate poor soil conditions.

Recommended Usage

Quick 2 Green Lawn Mix is recommended for low traffic, outer areas where a plush bluegrass lawn is not required. Provides quick cover. Quick 2 Green works great as a development mix or where economy is of great importance.

Suggested Maintenance

Quick 2 Green is a low maintenance mix requiring little or no fertilizer. Quick 2 Green requires minimum water usage other than what Mother Nature provides. Mow when grass reaches 3 to 3½ inches in height, removing about one inch. Frequent mowing encourages turf to thicken.

Composition:

- 30% Annual Ryegrass**
- 25% Perennial Ryegrass**
- 25% Creeping Red Fescue**
- 20% Park Kentucky Bluegrass**

Suggested Seeding Rate: 4½ - 5 lbs. per 1,000 sq. ft.
200 - 225 lbs. per acre
